Title: Mortality Estimates among Adult Patients with Severe Acute Respiratory Infections from two Sentinel Hospitals in Southern Arizona, United States, 2010-2014

Version: 2 Date: 27 Nov 2017

Reviewer: Amalie Dyda

Reviewer's report:

The authors should be congratulated on the hard work they have put in to this paper. I am satisfied that all comments previously made have been addressed. The paper, including the methods, is now much clearer.

I would recommend one more read through for any grammar errors, as I noticed several.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics
