Reviewer's report

Title: Guillain-Barre syndrome associated with hemorrhagic fever with renal syndrome in China: a case report

Version: 1 Date: 21 Nov 2017

Reviewer: Danielle Vuichard

Reviewer's report:

The manuscript has much improved. However, the authors should make some discretionary revisions. Please find my suggestions below:

Line 22: Guillain-Barre syndrome (GBS) (introduce this abbreviation and use it throughout the abstract, also e.g. lines 24, 30, 34,

Line 29 "was found all extremital symmetrical flaccid paralysis" please replace by "had symmetrical flaccid paralysis of all extremities"

Line 30: "The patient was diagnosed as Guillain-Barre syndrome (AMSAN)" I would suggest to replace this by "The patient was diagnosed as having acute motor sensory axonal neuropathy (AMSAN)."

Line 40: "extremital symmetrical dyskinesia delayed paralysis occurs" please replace by "delayed symmetrical limb paralysis occurs"

Line 61: "demyelination(AIDP)" add a space: "demyelination (AIDP)"

Line 86: "later (day6), the patient' situation deteriorated and presented respiratory failure" please rephrase: "later (day 6), the patient deteriorated and presented with respiratory failure"

Line 88: He was admitted into ICU please replace by "He was admitted to ICU"

Line 90+91: "was found all extremital symmetrical flaccid paralysis" replace by "had symmetrical flaccid paralysis of all extremities"

Line 130+131: "In our case, GBS was suspected once the patient was found all extremital symmetrical flaccid paralysis" please rephrase: "In our case, GBS was suspected once the patient was found as having symmetrical flaccid paralysis of all limbs"

Line 195 Hantavirus infection have been "report" replace by "reported"
Line 203 especially when "extremital symmetrical dyskinesia" occurs. replace by "especially when delayed symmetrical paralysis occurs."

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.
Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.
No

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.
Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
Not relevant to this manuscript

Quality of written English
Please indicate the quality of language in the manuscript:
Needs some language corrections before being published

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?
4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?
5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests.
