Reviewer’s report

Title: Stepwise approach for the control and eventual elimination of Taenia solium as a public health problem

Version: 1 Date: 14 Sep 2018

Reviewer: John C. Noh

Reviewer's report:

The manuscript is missing 'Figure 1', so unable to comment on the figure.

An explanation on what Rabies control is and what parts or as a whole the authors are arguing to compare 'intervention tool-kit' was not further discussed adequately to explain what is in the tool-kit and how each component is necessary

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

Not relevant to this manuscript
