Reviewer's report

Title: Being unvaccinated and having a contact history increased the risk of Measles Infection during an Outbreak: A finding from a Measles Outbreak Investigation in Rural district of Ethiopia

Version: 0 Date: 31 Jan 2019

Reviewer: Jörg Schelling

Reviewer's report:

Page 2 Line 6 "that" seems unnecessary

Page 2 Line 47 "were" seems unnecessary

Page 4 Line 36 Kebele (first letter capital), in Line 38 than kebele -> please use same writing

Page 4 Line 54 get -> got

Page 5 Line 7 sign -> signs, symptom -> symptoms

Page 5 line 28 participants -> leave the "A" out before, again no "a" after scored

Page 6 line 33 years -> year, sign -> signs

Page 6 line 35 a travel history

Page 8 line 48 who lack immunization cards

Generally a good paper with a clear setting and a very small sample size.
Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?
If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
