Reviewer’s report

Title: Microbubbles in macrocysts - Contrast-enhanced ultrasound assisted sclerosant therapy of a congenital macrocystic lymphangioma: A case report

Version: 1 Date: 05 May 2017

Reviewer: Melissa B. Aldrich

Reviewer's report:

Please make the following minor changes to improve readability--

Abstract:
Add a comma after "For an appropriate application of OK-432,"
"contrast-enhanced" (adverb, not ending in "-ly" needs hyphen)
"agent-enhanced"
Change "more detailedly" (not a word) to "in more detail"

Page 3:
Line 5 change "until" to "before"
Line 22 omit "Yet"
Line 44 change "proved" to "proven"
Lines 49 and 51 omit "neither" and change "nor" to "or"

Page 4:
Line 5 remove "by this"
Line 34 "SonoVue[trademark symbol here]-supported"
Line 61 change "raised" to "increased"
Line 5:
Line 24 add comma "lymphangiomas,"

Page 6:
"case-adapted"

Line 24 change "with a much more definite application of the sclerosant agent" to "CCL, including improved application guidance of the sclerosant agent and reduced risk of periinterventional infection due to unnecessary punctions, justify off-label use of sonoVue...."

Page 7:
Line 19 "committees", "Declaration"

Page 9:
Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

Not relevant to this manuscript

Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published
**Declaration of competing interests**

Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests.
