Reviewer’s report

Title: Non-Contrast-Enhanced Magnetic Resonance Angiography of Facial Arteries for Pre-operative Evaluation of Vascularized Submental Lymph Node Flaps

Version: 1 Date: 16 Apr 2019

Reviewer: Junaid Ahmed

Reviewer’s report:

1. Most of the Reviewers comments have been addressed, although the corrections could have been highlighted in a different font color.

2. There are spelling mistakes in few of the sections, for example in the background section, in the following sentence- 'no other study has applied this method for the clinical evaluation of fascial arteries'. (its 'facial')

3. In the methods section, the following sentence has to be grammatically corrected - 'None of the patients had a history of surgery for cancer of the head and neck regions'. (its 'region')

4. In the MRI technique section, the following sentence needs to be grammatically corrected - 'The order of the scanning sequences was as follows'.. (the sentence should be 'were as follows')

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics
**Quality of written English**
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

**Declaration of competing interests**
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organisation that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

'I declare that I have no competing interests'
