Reviewer’s report:

I appreciated your work in a field that always needs to be implemented to the best of our knowledge and possibilities. I think that results and limitations of the work are well explained; I just wasn't you to notice a text error in line 191 (antibody-mediated instead of antibody-mediated)

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics
