Reviewer’s report

Title: Systematic Review of Nephrotoxicity of Drugs of Abuse, 2005-2016

Version: 0 Date: 04 May 2017

Reviewer: Massimo Torreggiani

Reviewer's report:

In this manuscript, Mansoor and COleagues aim to review the literature published between 2005 and 2016 about the nephrotoxicity of the drugs of abuse.

The review is well written and deals with an unusual topic that is not often discussed but is clinically relevant in everyday practice.

In my opinion this manuscript deserves publication.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
