Reviewer’s report

Title: D-dimer for the exclusion of cerebral venous thrombosis: a meta-analysis of low risk patients with isolated headache.

Version: 4  Date: 17 July 2015

Reviewer: Antonio Arauz

Reviewer’s report:

Authors responded adequately all my concerns and observations. I think the manuscript improves considerably. The only observation is the positive predictive value (results section) of 4.55%...is that correct?

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
