Abstract

Case presentation

Line 26: Please capitalize C in the word 'cases'

Line 29: Add a comma after 'forced diuresis'

General comment

Thank you for improving your work. I must confess that, you helped me learned how to construct a time line involving several patients in the future.
Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
