Reviewer’s report

Title: Socioeconomic inequality in periconceptional folic acid supplementation in China: a census of 0.9 million women in their first trimester of pregnancy

Version: 0 Date: 10 Oct 2017

Reviewer: Prasanna P Mithra

Reviewer's report:

Manuscript is well written. Just the introduction part can be made little shorter keeping only the most important facts related to folic acid and its relevance during peri-conceptional period and also the socio economic implications.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

Not relevant to this manuscript
