Reviewer’s report

Title: Malignancy during pregnancy in Japan: an exceptional opportunity for early diagnosis

Version: 1 Date: 06 Jul 2017

Reviewer: Elizabeth Hatch

Reviewer’s report:

The authors have done a very nice job responding to the comments and the paper is also much more clearly written.

my only suggestion is that the reference to the American Cancer Society Department of Epidemiology and

Statistics reports may not be correct. there is an Epidemiology Research Program, and they publish Cancer Statistics...i would check to make sure that it is correct before publication.

Are the methods appropriate and well described?  
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?  
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?  
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?  
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics
