**Reviewer’s report**

**Title:** Quality Of Life Questionnaire for women with Gestational Diabetes Mellitus (GDMQ-36): Development and Psychometric Properties

**Version:** 0  **Date:** 02 Oct 2019

**Reviewer:** Syed Abbas

**Reviewer's report:**

A very well written manuscript which has a original concept. Patient centered care is increasingly recognized as a very important indicator for assessing the quality of healthcare. QALY is a very useful variable in cost effectiveness analysis. The quality of life questionnaire for women with gestational diabetes mellitus can serve to be very useful in designing interventions which are cost effective and measurable. A discretionary suggestion of reflecting on some content from the following relevant publication:

**Are the methods appropriate and well described?**
If not, please specify what is required in your comments to the authors.

Yes

**Does the work include the necessary controls?**
If not, please specify which controls are required in your comments to the authors.

Yes

**Are the conclusions drawn adequately supported by the data shown?**
If not, please explain in your comments to the authors.

Yes

**Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?**
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

**Quality of written English**
Please indicate the quality of language in the manuscript:
Declaration of competing interests

Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that i have no competing interests.
