Reviewer’s report

Title: Pre-eclampsia management modalities and perinatal death: a retrospective study in Woldia General Hospital

Version: 1 Date: 27 Feb 2020

Reviewer: Lorna Moore

Reviewer's report:

The authors have gone to considerable length to revise and thereby improve their manuscript. Given the challenges of writing in a foreign (English) language, there are still some corrections required. I again send my handwritten comments with hopes that they will make such corrections easier.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics
