Reviewer's report

Title: IL-6 signaling between ductal carcinoma in situ cells and carcinoma-associated fibroblasts mediates tumor cell growth and migration

Version: 6 Date: 1 May 2015

Reviewer: Kyung Sung

Reviewer's report:

The authors have sufficiently addressed major and minor issues raised before. The current manuscript is in the condition for publication.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
