Reviewer's report

Title: Use of metformin or other antidiabetic drugs is not associated with a decreased risk of thyroid cancer: a case-control study

Version: 3 Date: 15 May 2015

Reviewer: Mariusz Dabrowski

Reviewer's report:

1. The manuscript after revisions suggested by my co-reviewers does not need further major revisions.
2. There is also no need for minor essential revisions.
3. I have suggested to limit the data regarding antidiabetic drugs use to diabetic population only, but it was not obligatory and I accept the Authors' decision to disregard this suggestion.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare I have no competing interests in the field covered by this paper.
