Reviewer’s report

Title: MONITORING THE RESPONSIVENESS OF T AND ANTIGEN PRESENTING CELL COMPARTMENTS IN BREAST CANCER PATIENTS IS USEFUL TO PREDICT CLINICAL TUMOR RESPONSE TO NEOADJUVANT CHEMOTHERAPY

Version: 1 Date: 24 July 2017

Reviewer: Sylvain Ladoire

Reviewer’s report:

The authors clearly answer to the comments in their point by point reply letter, and all the requested corrections have been made.

Minor points:

Table 1:

SBR grade distribution should be added

Please remove "basal-like" (transcriptomic definition) and use "triple negative" instead of please clarify your definition of breast cancer subtype and HER2 positivity, as only 1 HER2 overexpressing BC appear since 5 HER2 positivity

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics
**Quality of written English**  
Please indicate the quality of language in the manuscript:  

Acceptable

**Declaration of competing interests**  
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
