Reviewer’s report

Title: Occurrence of colorectal aberrant crypt foci depending on age and dietary patterns of patients

Version: 1 Date: 17 Oct 2017

Reviewer: Luca Roncucci

Reviewer's report:

The paper has been considerably improved. However, I suggest:

1. Some additional reviewing of English,

2. When appropriate, the authors should report some results of the statistical comparisons among groups, in the figures or in the legends of the figures

3. On page 5, line 49, the number of the bibliographic reference is (28), and not (108)

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I recommend additional statistical review
