Reviewer’s report

Title: TEX9 and eIF3b Functionally Synergize to Promote the Progression of Esophageal Squamous Cell Carcinoma

Version: 0 Date: 27 May 2019

Reviewer: Chien-Feng Li

Reviewer's report:

Manuscript entitled "TEX9 and eIF3b Functionally Synergize to Promote the Progression of Esophageal Squamous Cell Carcinoma". This work contains some interesting biological functional studies, yet the clinical value is not high. The authors are encouraged to performed IHC to see the expression statuses of TEX9 and eIF3b in a well-characterized cohort to check the correlations of these two proteins and their associations to tumor characters and patient outcome.

Are the methods appropriate and well described?  
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?  
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?  
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?  
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published
**Declaration of competing interests**

Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests.
