Reviewer’s report

Title: Nutritional assessment and prognosis of oral cancer patients: A large-scale prospective study

Version: 0 Date: 08 Jan 2020

Reviewer: Luca Fiorillo

Reviewer's report:

Dear Authors,

Your manuscript is really interesting and it is about a current topic in oral pathology. I suggest some changes before accepting.

please on keyword section use Medical subject headings words (MeSH) https://meshb.nlm.nih.gov/search

In introduction section please specify AIM and BACKGROUND into two subsections, and better clarify primary aim of this study and secondary outcomes.

In intro section please enlarge notes on why You choose (BMI),(ALB), (PNI) and (NRI).

Please subdivide results section. You should make a Sample paragraph (with patients informations), a synthesis of results for main outcome and an additional analysis for secondary outcomes (if needed)

Please enlarge conclusion section with future perspective of this study.

Are the methods appropriate and well described? If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls? If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?  
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

**Quality of written English**
Please indicate the quality of language in the manuscript:

Acceptable

**Declaration of competing interests**
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
