Reviewer’s report

Title: Acanthamoeba keratitis related to contact lens use in a tertiary hospital in China

Version: 1 Date: 05 Jul 2019

Reviewer: Eric Romanowski

Reviewer’s report:

The authors present a manuscript describing Acanthamoeba keratitis in patients at the tertiary hospital in China.

The entire manuscript should undergo additional English editing. English editing services are available through BMC Ophthalmology. Visit the website https://bmcophthalmol.biomedcentral.com/submission-guidelines/language-editing-services for more information.

Methods - State that PCR was performed to determine the genotype of the Acanthamoeba isolates.

Results, Line 111 - Change "gander" to "gender".

References - Update Reference 4 to the current citation and make sure that all reference are in BMC Ophthalmology format. Refer to the Author Guidelines for the correct format.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
I am able to assess the statistics

**Quality of written English**
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

**Declaration of competing interests**
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
