Reviewer’s report

Title: Prevalence and associated factors influencing stunting in children aged 2-5 years in the Gaza Strip-Palestine: a cross-sectional study

Version: 3 Date: 03 Jul 2017

Reviewer: Janis Randall Simpson

Reviewer’s report:

The flow and grammar and spelling are much improved. Still a few revisions to be made.

Page 4, line 23: Change wording to: Inclusion criteria included being a mother....

Page 7, line 13: Leave the deleted part in

Page 7, line 14: Suggested wording.. Consanguinity was categorized as follows:

Page 9, line 9: Change influenced to influencing

Page 10, line 3-4: Insert 'a' before previous

Page 10, line 5: Delete 'the' at the end of this line

Page 11, line 3: Delete 'as'

Page 11, line 18: Change child to children

Page 12, line 2-3: change long to long-term

Page 12, line 6: change 'can' to were not able to be examined

Page 12, line 7: Suggestion - Another limitation is that this cross sectional...

Page 12, line 13: Change decrease to decreased

Page 12, line 15: Add was between consanguinity and associated

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.
Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
