Reviewer’s report

Title: Comparison of neonatal red cell transfusion reporting in neonatal intensive care units with blood product issue data: a validation study

Version: 1 Date: 16 Jul 2017

Reviewer: Amy Keir

Reviewer's report:

Thank you to the authors for addressing my comments regarding the previous version of their paper. They have now been adequately addressed.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

Quality of written English
Please indicate the quality of language in the manuscript:
