Reviewer's report

Title: The Association Between Minor Recurrent Aphthous Stomatitis (RAS), Children's Poor Oral Condition, and Underlying Negative Habits and Attitudes Towards Oral Hygiene

Version: 0 Date: 08 Oct 2017

Reviewer: Sivia Lapidus

Reviewer's report:
Please include all comments for the authors in this box rather than uploading your report as an attachment. Please only upload as attachments annotated versions of manuscripts, graphs, supporting materials or other aspects of your report which cannot be included in a text format.

Please overwrite this text when adding your comments to the authors.

--Well-done study with clinical relevance and implications for improved patient outcomes.
--Would review which letters are capitalized and maintain consistency throughout the manuscript (especially with RAS)
--Questions used in methodology are grammatically incorrect and would benefit from revision (one change)
--Would not emphasized limitations in conclusion considering finding of relationship of dental hygiene and RAS.

Commenting on future psychological studies that would elucidate the link between RAS/oral hygiene and psychological health would be extremely relevant.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.
Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.
Yes
Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.
Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
I recommend additional statistical review

Quality of written English
Please indicate the quality of language in the manuscript:
Needs some language corrections before being published

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?
4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?
5. Do you have any other financial competing interests?
6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.
