Reviewer’s report

Title: An economic analysis of human milk supplementation for very low birth weight babies in the USA

Version: 1 Date: 23 Nov 2018

Reviewer: Dmitry Dukhovny

Reviewer's report:

Overall this is a nice economic model and the authors have responded well to the reviewer comments. There are a few additional comments:

1) Page 4, line 21 "supplemented by" is repeated twice

2) Reference 14 is now a published manuscript: https://www.ncbi.nlm.nih.gov/pubmed/27825008 - this trial has also had an economic evaluation published alongside it (https://www.ncbi.nlm.nih.gov/pubmed/29490909)

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

No

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics
Quality of written English
Please indicate the quality of language in the manuscript:

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I don't have any competing interests related to 1-5...I do research in a similar area for number 6 however, I have not studied this particular question.
