Reviewer’s report

Title: What are the factors associated with depressive symptoms among orphans and vulnerable children in Cambodia?

Version: 3 Date: 17 June 2015

Reviewer: Hanako Suzuki

Reviewer’s report:

Authors have answered all the criticisms raised by reviewers by including necessary information, which made the manuscript much clearer and more comprehensive. I recommend to accept the manuscript without further revision.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
