Reviewer’s report

Title: Health care use, drug treatment and comorbidity in patients with schizophrenia or non-affective psychosis in Sweden: A cross-sectional study.

Version: 2 Date: 16 Oct 2017

Reviewer: Nobutaka Ayani

Reviewer's report:

Comment #1
The English of this manuscript is still not suitable for publication. I strongly recommend you to use a professional English editing service.

Comment #2
You should describe what is NAP and the reason why you focus on the comparison between schizophrenia and NAP more clearly.

In addition, the explanation of NAP is in the last paragraph of "Background" in your submission, and I recommend you to describe the explanation in the first or second paragraph.

Comment #3
IF the aims of this study is comparison of the similarities and differences between schizophrenia patients and NAP patients in order to investigate the reason why schizophrenic patients have shorter life span and high prevalence of somatic comorbidities, you should describe the aims in the paragraph of "Aim of the study".

Comment #4
I can find the abbreviation "VAL" in page 6 line 125, and you spell out of the abbreviation in page 14 line 313. You should spell out in page 6.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes
Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I recommend additional statistical review

Quality of written English
Please indicate the quality of language in the manuscript:

Not suitable for publication unless extensively edited

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests.
