Reviewer’s report

Title: The power of support from companion animals for people living with mental health problems: A systematic review and narrative synthesis of the evidence

Version: 1 Date: 02 Dec 2017

Reviewer: Ines Testoni

Reviewer's report:

The article is quite interesting and the analysis is appropriate. Unfortunately the text is very messy, because of all the visible corrections (track changes) and the comments to the reviewers. However, I think that the text should be right.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
