Reviewer: Jan Kizilhan

Reviewer's report:

Please include all comments for the authors in this box rather than uploading your report as an attachment. Please only upload as attachments annotated versions of manuscripts, graphs, supporting materials or other aspects of your report which cannot be included in a text format.

Please overwrite this text when adding your comments to the authors.

The manuscript is well structured. Methodologically good and comprehensible. Although there is increasing public and media concern on the potential impact of refugee seeker and mental health.

The writing style is clear, and the paper is presented in a logical order.

The literature has to be includes new studies.

More transcultural psychiatric-psychotherapy concepts in regarding to the treatment in the recommendation could be discussed. The reference should shorten to 40 instead of 70.

The paper should be accepted with minor corrections for publishing.
