Reviewer's report:

Thank you for clarifying and modifying the manuscript. I believe in the current form, the manuscript can be accepted.

I only have one minor comment left.

The manuscript benefits from the re-structuring following the three distinct research questions presented on p. 6. However, I would insert them in the introduction of the study rather than in the methods section.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.
