Reviewer’s report

Title: Prevalence of behavioral disorders and Attention deficit Hyperactive disorder among school going children in Southwestern Uganda

Version: 3 Date: 30 Jan 2019

Reviewer: Douglas MacInnes

Reviewer's report:

Thank you for responding to my queries and addressing the points made. I only have two minor points to note.

It would be helpful (and consistent with the other table's) if you could include the p values of the chi squared tests reported in Table 4.
When p values detailed in tables, they are normally reported after the statistical test scores.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics
