Title: Recovery-focused mental health care planning and co-ordination in acute inpatient mental health settings: a cross national comparative mixed methods study

Version: 1 Date: 09 Nov 2018

Reviewer: Mary Birken

Reviewer's report:

This is a well written important study. I have only one comment, and that is in relation to a missing reference on page 7, line 27, under the heading Sample Size Calculations at the end of the first sentence you have put (ref), suggesting a reference is missing.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics
