Title: CASE REPORT: A GIANT ARACHNOID CYST MASKING ALZHEIMER’S DISEASE

Version: 1 Date: 06 Dec 2018

Reviewer: Mohammadrasoul Khalkhali

Reviewer's report:

Please include all comments for the authors in this box rather than uploading your report as an attachment. Please only upload as attachments annotated versions of manuscripts, graphs, supporting materials or other aspects of your report which cannot be included in a text format.

Please overwrite this text when adding your comments to the authors.

This is an interesting but very long case report that might confuse the readers and there is many unnecessary information in the manuscript that could be summarized or deleted. Although I believe that two different pathologies are involved and this is only a comorbid clinical condition but the occurrence of arachnoid cyst in the patient with Alzheimer disease is a rare condition that can be reported.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

No

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
