Reviewer's report

Title: Workplace violence against HomeCare Workers and its Relationship with Workers Health Outcomes: a Cross-Sectional Study

Version: 1 Date: 9 December 2014

Reviewer: Isabelle Niedhammer

Reviewer's report:

In my point of view, this revised manuscript may deserve to be published. However, I would be happy that an important limitation may be added in the discussion: the low response rate to the survey (33%). Hope this may help.
