Reviewer's report

**Title:** Serum lipids in Brazilian children and adolescents: determining their reference intervals

**Version:** 5

**Date:** 26 December 2014

**Reviewer:** Konstantinos Tziomalos

**Reviewer's report:**

The authors addressed all my comments adequately. I have no further comments.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Acceptable

**Statistical review:** Yes, and I have assessed the statistics in my report.

**Declaration of competing interests:**

I declare that I have no competing interests.
