Reviewer’s report

Title: Analysis of awareness of health knowledge among rural residents in western China

Version: 4 Date: 17 November 2014

Reviewer: Ryusuke Inoue

Reviewer’s report:

Minor comments
1. The unit of population density is not "%". Please modify.

2. In the Abstract, the authors mentioned "... had discrimination to patients with hepatitis B..." However, the sentence was not found in the Text. Please delete it.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:

I declare that I have no competing interests.
