Reviewer's report

**Title:** Development and feasibility study of very brief interventions for physical activity in primary care

**Version:** 2  **Date:** 14 March 2015

**Reviewer:** Brandon Irwin

**Reviewer's report:**

Thank you for your efforts in revising this manuscript. The authors have made extensive changes and have adequately addressed all of the original concerns (especially comment #4). After this revision, I believe the manuscript has more merit than I originally thought and might be of interest to an even broader audience.

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

I declare that I have no competing interests
