Reviewer's report

**Title:** Virtual Field Trips as physically active lessons for children: A pilot study

**Version:** 4  **Date:** 26 March 2015

**Reviewer:** Niels Wedderkopp

**Reviewer's report:**

The authors have changed and added to the manuscript as proposed by the reviewers, I believe the manuscript as it stands now should be published as a pilot study, giving us new information on what is needed in future studies. This kind of pilot studies are important as they provide knowledge on what should be done in future studies,

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.
