Reviewer's report

Title: Antenatal care strengthening for improved quality of care in Jimma, Ethiopia: An effectiveness study

Version: 2 Date: 24 February 2015

Reviewer: Bukola Fawole

Reviewer's report:

Authors have responded to most of the Reviewers' comments.

The revised manuscript is therefore suitable for publication in BMC Public Health.

A little point for Author's attention is Figure 1; this is a Table and not a Figure.
