Reviewer's report

Title: Current tuberculin reactivity of schoolchildren in the Central African Republic

Version: 2  Date: 14 April 2015

Reviewer: Hong Van Tieu

Reviewer's report:

The authors have incorporated the reviewer comments and the manuscript is vastly improved.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

None
