Reviewer's report

**Title:** Community-Based Navigators for Tobacco Cessation Treatment: a proof-of-concept pilot study among low-income smokers

**Version:** 5  **Date:** 13 June 2015

**Reviewer:** Laura MacPherson

**Reviewer's report:**

The study continues to present an interesting approach to intervening with this important population of smokers in a novel setting. The authors' responsiveness to the questions and critiques for the original manuscript is much appreciated.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

I declare that I have no competing interests.
