Reviewer's report

**Title:** Protective practices against zoonotic infections among rural and slum communities from South Central Chile

**Version:** 1, **Date:** 16 March 2015

**Reviewer:** Marguerite Pappaioanou

**Reviewer's report:**

Major Compulsory Revisions

See attachment.

Minor Essential Revisions

None-- all revisions noted are considered major compulsory revisions at this time. Once the manuscript has been carefully edited and revised, other revisions at a re-review may fall into this category.

Discretionary Revisions

None-- all revisions noted are considered major compulsory revisions at this time. Once the manuscript has been carefully edited and revised, other revisions at a re-review may fall into this category.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Needs some language corrections before being published

**Statistical review:** Yes, and I have assessed the statistics in my report.

**Declaration of competing interests:**

I declare that I have no competing interests,
