Reviewer's report

Title: Country Characteristics and Acute Diarrhea in Children from Developing Nations: A Multilevel Study

Version: 7 Date: 2 July 2015

Reviewer: Rachel Burke

Reviewer's report:

Major concerns seem to have been addressed. Manuscript could still use some copy-editing and proof-reading.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
