Reviewer's report

Title: Disparities in Cardiovascular Disease among Caribbean Populations: A Systematic Literature Review

Version: 1 Date: 19 May 2015

Reviewer: Konstantinos Tziomalos

Reviewer's report:

This is a comprehensive systematic review of studies that evaluated differences in cardiovascular morbidity between Caribbean populations and other ethnicities. The review is well-structured and useful to the practising clinician.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:

I declare that I have no competing interests.
