Reviewer's report

Title: Studying the health outcomes of fiscal interventions (taxes and subsidies) on food and beverages in countries of different income classifications; a systematic review

Version: 2 Date: 13 August 2015

Reviewer: Daniel Taber

Reviewer's report:

The authors did an excellent job re-organizing the results to make them clearer, as well as adding more substance to the Discussion. I have no further comments.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
