Reviewer's report

Title: Charting the Evolution of the Approach of Global Alliance for Vaccines and Immunizations (GAVI) to Address Inequities in Access to Immunization--A systematic qualitative review of GAVI policies, strategies and resource allocation mechanisms through an equity lens (1999-2014)

Version: 5  Date: 9 August 2015

Reviewer: John Grundy

Reviewer's report:

Minor Essential Revisions
The author has responded to reviewers comments very well.
The only requirement is careful editing of the paper to correct minor grammatical changes. See pages 31, 33 and 34 where there is incorrect grammar and some repetition of words.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
I was chairperson of the GAVI Independent Review Committee between 2012 and 2014
