Reviewer’s report

Title: Awareness, understanding and use of sodium information labelled on pre-packaged food in Beijing: a cross-sectional study

Version: 0  Date: 14 Oct 2017

Reviewer: Claire Johnson

Reviewer's report:

An important piece of research for the progression of salt reduction implementation in China. The language needs slight editing in the abstract.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

Quality of written English
Please indicate the quality of language in the manuscript:
