Reviewer's report:

"REVISION ASSESSMENT FROM THE ACADEMIC PEER REVIEWER:

Has the author addressed your concerns sufficiently for you to now recommend the work as a technically sound contribution? Yes

Reviewer comments: The authors have dealt with my concerns - they have removed any reference to qualitative research and added appropriate details in methods and analysis. The paper now is simply a descriptive cross-sectional analysis, and I'll leave it to the Editorial team to address the sufficiency for publication in their journal."

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.
