Reviewer’s report

Title: Prevalence of hepatitis G virus infection among 67,348 blood donors in mainland China

Version: 0 Date: 21 Feb 2019

Reviewer: Yasir Waheed

Reviewer’s report:

The manuscript entitled "Prevalence of hepatitis G virus infection among blood donors in mainland China: A systematic review and meta-analysis from 67,348 blood donors" is well written and well organized.

Please cite a couple of latest papers published in high impact factor journals as suggested below.

Please add HAQ index of China, which is 48 according to the following latest paper.

Please add hepatitis related mortality, from the following paper.

On the basis of your study, you may suggest to add GBV screening for the blood transfusions.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes
Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

**Quality of written English**
Please indicate the quality of language in the manuscript:

Acceptable

**Declaration of competing interests**
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
