Reviewer’s report

Title: "You feel like you're part of something bigger": Exploring motivations for community garden participation in Melbourne, Australia

Version: 2 Date: 12 May 2019

Reviewer: Pauline Marsh

Reviewer's report:

I congratulate the authors on their willingness to consider the peer-review feedback and to attend to suggestions. I welcome the addition of this paper to the growing body of robust qualitative research that is building our knowledge of the health and wellbeing impacts of community gardening. I wish the authors all the best with future research in this area.

Kind Regards,

Pauline

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
